

Term 2 Year 4 'I can' Statements

'I can' statements are clear statements which teachers at Campbell Primary have developed for students. Each term we will share the statements which we are intending to cover with our classes so parents have a clear picture of what students are covering in class, and what students should know by the end of their year group. You may see that some statements are revisited throughout the year.

English

Receptive modes (listening, reading and viewing)

- I can read a variety of texts with fluency, that have varied sentence structure and unfamiliar vocabulary
- I can describe literal and implied meaning in what I read, connecting ideas across different texts
- I can respond to other's viewpoints
- I can listen and share key points in discussions
- I can read a variety of texts with fluency, that have varied sentence structure and unfamiliar vocabulary

Productive modes (speaking, writing and creating)

- I can use language features to create texts that make sense
- I can add detail to my texts
- I can create structured texts to explain ideas for different audiences
